municipal system.

9. Estimated cost of works Well, pump and motor = \$83,000
10. Estimated time required to construct works 10 years.
11. Estimated time required to complete the application to beneficial use 10 to 20 years depending on the growth and associated water requirements in the service area.
12. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use.

The test drilling program recently completed on the Bosc Ranch indi-
dates that there is unappropriated water in the source and that
the proposed withdrawal will not adversely affect wells having
existing water rights.
